O U R P L A C E

Job Description

Job title	Assistant Executive Director (Health and Social Care Integration)
Grade	Assistant Executive Director Band 1
Accountable to	Executive Director (Health and Social Care)
Date reviewed	April 2021

Purpose of the Job

The Assistant Executive Director (Health and Social Care Integration) will be required to lead, direct, and coordinate the activities of the new Knowsley Integrated Care Partnership which will involve close working relationships with partner agencies across the Borough's health and social care economy.

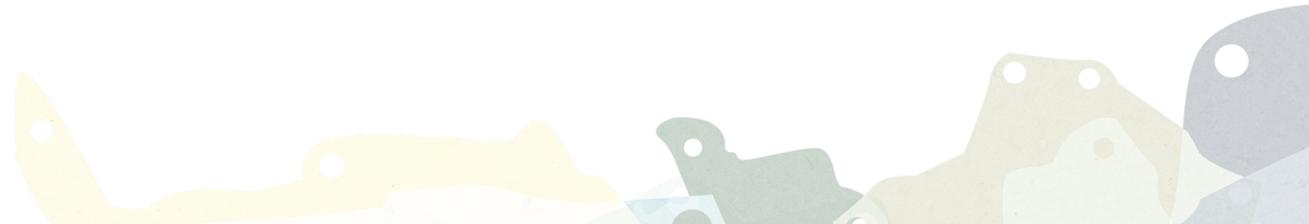

The Assistant Executive Director will lead the development of integrated Health and Social Care systems and services across the Borough, working closely with Health and Social Care Commissioning Services to facilitate the delivery of effective and timely services for the benefit of local residents and communities.

The post holder will transform the way in which health and social care services are delivered through the creation of new and integrated delivery models to ensure the delivery of cost effective, high quality resident focused services. The post holder will also identify and drive through the necessary changes to culture and practice to successfully embed change and new ways of working.

In line with the transformational agenda, the post holder will set the strategic direction and implement operational plans for health and social care services ensuring that that Council meets its legal and statutory obligations and achieve any required efficiency and cost savings, whilst effectively managing risk.

The post holder will have corporate and service specific responsibilities as outlined within this Job Description.

This is not a comprehensive list of all the tasks, which may be required of the post holder. It is illustrative of the general nature and level of responsibility of the work to be undertaken.

Key Duties and Responsibilities

To provide vision, leadership, direction, and management of the activities of the Knowsley Integrated Care Partnership which will involve close working relationships with partner agencies across the health and social care economy of the borough.

To lead the development of integrated Health and Social Care systems and services across the borough and transform the way in which health and social care services are delivered through the creation of new and integrated delivery models to ensure the delivery of high quality resident focused services and drive a reduction in health inequalities.

To oversee the integrated commissioning function and work with partners across the health and social care system to deliver a programme of work to improve the health and care of the whole population of Knowsley.

The post holder will be required to provide strategic advice to the Council, Executive Management Team and partner agencies on the health and social care needs of Knowsley residents.

The post holder will also support the Cabinet, Chief Executive and Corporate Management Team to achieve the aims and desired outcomes set out in the Council's Corporate Plan, Strategic Recovery Priorities and Knowsley 2030 Strategy.

The post holder will be fully responsible and accountable for all areas within their remit and empowered to make decisions in relation to the outcomes they are working to achieve.

Corporate Duties and Responsibilities

To ensure the Council focuses on the most relevant outcomes for the people of Knowsley, all Managers are required to support and contribute to delivery of the priorities within the Corporate Plan; Strategic Recovery Priorities and Knowsley 2030 Strategy.

Fundamental to fulfilling the responsibilities of this post is the ability to respond flexibly, positively, and successfully to the ever-changing pressures, which Local Authorities face.

- To carry out specific corporate roles and assignments as allocated by the Chief Executive.
- To provide a lead role across the Corporate Management Team identifying appropriate patterns of service provision to meet community needs at a high level, and shaping these requirements in line with corporate priorities.
- To represent the Council in the national, regional, and local media ensuring that the reputation of the Council is effectively managed.
- To model culture change within the service areas and promote communication that is clear, effective, and transparent at all levels, both inside and outside of the Council.
- To provide a major contribution to the change management process within the Council and its partners – working as an active 'change agent' alongside the Corporate Management Team.
- To drive the Council's agenda for excellent customer service in collaboration with public, voluntary, and private sector partners.
- Providing visible, united, and clear leadership within the organisation.
- To support Elected Members in undertaking their roles as community leaders and ward members.
- To provide support for corporate and/or external inspections where required.
- To work within the Knowsley Better Together principles making significant steps forward in further developing co-operative working with local stakeholders to achieve a shared goal by pooling resources and expertise to achieve a greater impact.

- As an Assistant Executive Director, you will be expected to support the Council's emergency preparedness, response, and recovery arrangements; this may include, but is not restricted to, participation in appropriate training and exercises, and attending Strategic and/or Tactical and/or Recovery Coordinating Groups with our multi-agency partners.

Service Specific Duties and Responsibilities

Responsible for leading the delivery of improved outcomes in Health and Social Care by raising Standards, Quality and Performance with specific responsibility for:

- Lead, direct and manage the strategic development, transformation and delivery of the Health and social care integration agenda, including integrated commissioning.
- Lead and direct the Council's Health and Social Service Integration function.
- Establish and lead the Knowsley Integrated Care Partnership.
- Oversee the transfer of responsibilities from Knowsley Clinical Commissioning Group to the Council.
- Lead and direct the integrated commissioning and work with partners across the health and social care system.
- Deliver a programme of work to improve the health and care of the whole population of Knowsley.
- To provide strategic direction to the Health and Social Care function contributing to the Council's Corporate Plan priorities; Strategic Recovery Priorities and the Knowsley 2030 Strategy.

The Corporate Plan Priorities are:

- Maximise the Council's contribution to education;
- Maximise the Council's contribution to the health and wellbeing of Knowsley residents;
- Provide high quality and sustainable adult social care;
- Accelerate business growth, new jobs, and new housing; and,
- Create a sustainable borough.

Alongside its existing priorities, Knowsley Council's Corporate Plan 2020/21 has been revised to include the need to respond to the impact of the COVID-19 pandemic:

- Effective Outbreak Management;
- Returning to a 'new normal';
- Responding to the changing needs of residents and communities;
- Responding to the changing needs of local businesses and economy; and
- Financial sustainability of the Council.

This will be complemented by the Knowsley 2030 Strategy and the Council's work with strategic partners to develop and implement the Knowsley Better Together COVID Recovery Plan. The plan and the strategy are underpinned by five strategic outcomes which set out that, by 2030, Knowsley will be a place:

- where strong and safe communities can shape their future;
- where people are active and healthy, and have access to the support they need;
- where people of all ages are confident and can achieve their full potential;
- with a thriving, inclusive economy with opportunities for people and business; and
- with welcoming, vibrant, well-connected neighbourhoods and town centres.

- Provide effective professional leadership, exercising overall responsibility for the performance of the Health and Social Care Integration function, including supervision of professional standards and competence, management of individual performance and development and improvements to service delivery and practice.
- Lead the cultural, workforce and other changes to secure the transformation of health and social care services by creating the conditions for others to perform and innovate. Robustly challenge ineffective working practices and poor performance.
- Maintain robust budgetary monitoring controls ensuring effective budgetary management is exercised and that all resources are managed efficiently and effectively within finite resources.
- Be accountable for delivery and achievement of agreed savings and efficiencies across the Health and Social Care Integration system.
- Ensure the existence of a common system of planning, monitoring, evaluation, and review for the function, complementary to the rest of the Council and consistent with statutory requirements.
- Maintain an oversight of and play a key role in shaping the Health and Social Care system by building and maintaining effective relationships with key partners, service providers and stakeholders; managing risks and ensuring contingencies are in place.
- Maximise the availability of external partnership funding and resources to enhance service delivery.
- Cultivate and maintain productive relationships with Public Health, CCGs, NHS more generally to identify and capitalise upon opportunities.
- To lead on presentation and reports to senior officers and elected Members.
- To deputise for the Executive Director (Health and Social Care) as required.
- To carry out other duties as may be required, commensurate with the responsibilities of the post.

Qualifications and Training

- A recognised management qualification and/or a recognised professional qualification in a relevant discipline.
- Membership of (or eligible to join) a recognised and relevant professional body.
- Evidence and commitment to continuous personal and professional development.
- A recognised Degree or Postgraduate qualification in Leadership is desired.
