As a community school, the local authority is responsible for setting and applying the oversubscription criteria (or the 'admission policy') in order to determine which children can be offered places and who can not.

The published admission number for this school is 60 – places were allocated as follows:

Oversubscription Criteria (Admission Policy) ¹	Number of places allocated
Children whose Education, Health and Care Plan names the school as provision	2
1. Children currently/previously in the care of the local authority	1
2. Children with a sibling in the school	32
3. Distance from home to school measured in a straight line	25
Total	60

The last child to secure a place fell within criterion 3.

The distance tie-break was applied to all applicants within this criterion and the last child to secure a place lived 0.586 miles from the school measured in a straight line

¹ A full version of the oversubscription criteria is available in the booklet 'Knowsley Primary Education Admissions – Information for Parents 2021/22'.
